ENTERING CANAAN

Hope & Healing Weekend

For women suffering because of a past abortion

Director: Rev. Fidelis Moscinski, CFR

March 29-31, 2019

"Let us not close out hearts, let us not lose confidence, let us never give up: there are no situations which God cannot change, there is no sin which he cannot forgive if only we open ourselves to him."

Pope Francis - Easter Vigil

“I went to an Entering Canaan Retreat Weekend. As amazing as it sounds, it was during this weekend that my healing took place. It was then that I truly felt God's mercy and grace.

With God's grace, I was finally able to accept His forgiveness. I am now closer to understanding the cross and Jesus' excruciatingly painful death for us so that we may live. I understand that He hates my sins but loves me dearly and longs to heal me.
