Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of We Stand With Christ, Inc. as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows, for the year and period then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Distributions to Parishes on pages 13-14 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to the Financial Statements

NOTE 1 - ORGANIZATION

We Stand With Christ, Inc. (WSWC) is a Connecticut nonprofit, non-stock corporation formed on December 15, 2017 by the Bridgeport Roman Catholic Diocesan Corporation, Inc. (the 'Diocese'). Members of the organization shall include that person holding the office of the Bishop, or in the event of a vacancy of the office of the Bishop, the Administrator of the Diocese, and such other persons as may be appointed by the Bishop of the Diocese. The members of the corporation shall elect the Board of Directors.

WSWC was incorporated to raise, contribute to, oversee, manage and administer capital campaign funds, endowments and trusts, and their respective missions, operations, programs, ministries and activities, and various related educational, pastoral, evangelical, charitable and religious services.

WSWC will benefit the long-term needs of the Diocesan parishes and essential ministries, with its objective of strengthening local parishes to encourage a vibrant Catholic life and to establish endowment funds for mission related support with three foundations: Foundations in Faith, Inc., Foundations in Charity, Inc., and Foundations in Education, Inc..

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Basis of Presentation - The financial statements of WSWC comply with the provisions of FASB ASC 958, *Not-for-Profit Entities*. FASB ASC 958 establishes standards for external financial reporting by nonprofit organizations.

Classifications of Net Assets - WSWC reports its net assets and changes therein based on the existence or absence of donor-imposed restrictions as follows:

Net Assets Without Donor Restriction - consist of resources available for the general support of the WSWC operations, which may be used at the discretion of management.

Net Assets With Donor Restriction - net assets subject to the following donor-imposed stipulations:

Some donor restrictions are temporary in nature or satisfied by the passage of time that either expire with the passage of time or can be fulfilled by the actions of WSWC pursuant to those stipulations. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, with donor restriction net assets are reclassified to without donor restriction net assets. However, when restrictions on donor-restricted contributions are met in the same accounting period, such amounts are reported as part of without donor restriction net assets.

Notes to the Financial Statements (continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Other donor restrictions consist of funds that are subject to donor-imposed restrictions of gift instruments requiring that the principal be invested in perpetuity and the income be used for specific or general purposes.

At June 30, 2019 and 2018, there were no net assets with donor restrictions.

Contributions - Contributions, including unconditional promises to give, are reported as revenues in the period received. Unconditional promises to give in greater than one year are discounted to reflect the present value of future cash flows using a credit adjusted discount rate assigned in the year the respective pledge originates. Amortization of the discount is recorded as additional contribution revenue in accordance with donor-imposed restrictions, if any. An allowance for uncollectible contributions receivable is provided in the net asset class in which the contribution receivable resides based on an assessment of the creditworthiness of the respective donor. Contributions are written-off when determined to be uncollectible. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Contributed services are recognized in the financial statements if they enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. General volunteer services do not meet these criteria for recognition.

Intentions to give under various wills and trust agreements are recorded as bequests receivable when the Diocese has an irrevocable right to the bequest and the proceeds are measurable.

Cash and Cash Equivalents - WSWC considers as cash and cash equivalents all highly liquid investments, which can be converted into known amounts of cash and have a maturity period of ninety days or less at the time of receipt. Also included in this definition of cash equivalents are marketable securities that are received to satisfy a pledge. It is WSWC's policy to immediately liquidate all marketable securities for cash upon receipt. Excluded from this definition of cash equivalents are such amounts that represent funds that have been designated by the Board for investment.

Distributions Payable - WSWC makes distributions to the parishes and the three Foundations: Foundations in Education, Inc., Foundations in Faith, Inc., and Foundations in Charity, Inc. Approximately 50% of the funds raised will be for parish needs and the remaining 50% will be invested in the three Foundations. Upon receipt of a pledge, a liability is recorded to the designated affiliated organization. The Board of Directors' of WSWC controls when the distributions of cash are paid to the affiliated organizations. Distributions payable within one year are recorded as liabilities at their full value. Distributions payable that are expected to be paid in more than one year are recorded at the present value of their estimated cash flows.

Notes to the Financial Statements (continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes - WSWC is a nonprofit organization and is exempt from federal and state income taxes as a public charity under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. WSWC recognizes an individual tax position in its financial statements based upon whether the tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. WSWC has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; determine its filing and tax obligations in jurisdictions for which it has nexus; and, to review other matters that may be considered tax positions. As of June 30, 2019, and 2018, management has determined that WSWC has no material uncertain tax positions that would require recognition or disclosure in its consolidated financial statements. WSWC is subject to routine audits by the Internal Revenue Service. There are currently no audits for any tax periods since inception.

Functional Expense Allocation - Expenses are charged directly to WSWC program services, management and general, and development and fundraising based on specific identification, to the extent practicable. Expenses related to more than one function have been allocated using reasonable ratios, as determined by management, amongst the programs and supporting services benefited. Those expenses include personnel costs, professional fees, and office supplies, and occupancy expenses. Management and general expenses include those expenses that are not directly identifiable with a specific function but provide for the overall support and direction of WSWC.

Subsequent Events - In preparing these financial statements, management has evaluated subsequent events through May 11, 2020, which represents the date the financial statements were available to be issued. There are no subsequent events that require disclosure.

NOTE 3 - SIGNIFICANT CONCENTRATIONS OF CREDIT RISK

WSWC maintains a single bank account with one local financial institution. Accounts at the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash at June 30, 2019 and 2018 exceeded federally insured limits. To minimize risk, WSWC cash accounts are placed with high-credit quality financial institutions.

Credit risk for contributions revenues and contributions receivable is concentrated as well because substantially all of the balances are from individuals located within the same geographic region. Management has recorded an allowance for uncollectible pledges of \$7,350,340 and \$1,328,211 at June 30, 2019 and 2018, respectively.

Liquidity Management

NOTE 8 - SUBSEQUENT EVENT

In 2020, the COVID-19 outbreak reached the United States and caused economic interruptions through mandated and voluntary closings of businesses and organizations in all 50 states. While the interruption is currently expected to be temporary, there is considerable uncertainty as to the duration and long-term effects of COVID-19 on the economy. Due to the uncertainties that exist, WSWC is unable to reasonably estimate the future financial impact that this will have on the operation.
