

# Entering the Mystery

**a Lenten reflection time  
for catechetical leaders and all of God's people.**

*During Lent we take up many spiritual practices to renew us and help us to refocus.  
Lent also challenges us to enter more deeply into the mystery of God.*

*Pope Francis has said,*

*"To enter into the mystery means to develop the ability to wonder,  
to contemplate; the ability to listen to the silence  
and to hear the tiny whisper amid great silence by which God speaks to us (cf 1 Kings 19:12)."*

*You are invited to step away from the routine of the day.  
and spend some time reflecting on that longing in your heart  
and explore how to enter into the mystery of becoming Paschal/Easter people.*

**Monday, March 27, 2017
