

# Safe Environment Training for Parents

**This is an opportunity to learn more about the Children's Safe Environment Training, *Think First and Stay Safe* and the Netsmartz workshop used throughout the Diocese of Bridgeport. This year the Office of Safe Environment will be providing this training virtually in each child's classroom.**

Facilitators of the Children's Safe Environment Program will be available to discuss the curriculum and to answer questions about this important safety training which takes place annually in your child's school. Topics include but are not limited to:

**child sexual abuse prevention ♦ child lures and grooming behaviors ♦  
technology safety ♦ cyberbullying ♦ abduction prevention**
